**Orders**

**Sub: Submission of results of NWMP samples through Online Portal of HSPCB.**

Whereas, the Lab Incharges have been sending the reports of NWMP samples via hard copy. The results are uploaded on the website of CPCB and the payment is made by CPCB to HSPCB for the parameters uploaded on their portal. There is general delay in collection of NWMP samples and than delay in sending reports by lab Incharges.

Now facility has been created on the website of HSPCB so that lab Incharges can submit the results of analysis reports for NWMP samples directly through HSPCB portal. The Water Cell shall take results of NWMP samples from HSPCB portal and upload on CPCB portal.

Therefore, all lab Incharges should submit the results of NWMP samples on monthly basis on online portal of HSPCB and send the hard copy to concerned RO only for the record.
