**Regional Officer
Yamuna Nagar**

Proceeding/Minutes of Public hearing of M/s Deen Bandhu Chhotu Ram Thermal Power Plant (DCRTPP) Yamuna Nagar, Haryana by M/s Haryana Power Generation Corporation Limited for Expansion of existing 2x300 MW coal based thermal unit by installing new 1x800 MW Ultra Supercritical Unit.

The Public hearing was held as a mandatory requirement under EIA Notification, 14.09.2006 and subsequent amendment on date 15.01.2016.

Venue: At Project Site at Deen Bandhu Chhotu Ram Thermal Power Plant (DCRTPP) Yamuna Nagar, Haryana.

Date & Time: 05.07.2024 at 11.00 AM.

The attendance sheet of Officers is attached as **Annexure-A** and Public/men/villagers present during the Public Hearing is annexed as **Annexure-B**. However, nearly 150 people refused to sign on attendance sheet.

Copies of the presentation in Hindi of Draft EIA of M/s Deen Bandhu Chhotu Ram Thermal Power Plant (DCRTPP) Yamuna Nagar, Haryana by M/s Haryana Power Generation Corporation Limited were distributed to the officials and other present in the hearing.

Copies of the executive summary of the project in Hindi and English were also distributed among the public and sarpanches of nearby villages.

At the onset of Public Hearing, Sh. Virender Singh Punia, Regional Officer, Yamunanagar, Haryana State Pollution Control Board welcomed the Chairperson Capt. Manoj Kumar, IAS, Deputy Commissioner, Yamunanagar and other officers of the District Administration & Sarpanches of surrounding area and public present in the hearing.

Further formal permission to inaugurate the process of Public Hearing was granted by the Chairperson Capt. Manoj Kumar, IAS, Deputy Commissioner, Yamunanagar. The Regional Officer, HSPCB briefed about the necessity of the public hearing being held under provision of EIA Notification of dated 14th September, 2006, amended to date and submitted that the present unit has been proposed for expansion of existing 2x300 MW coal based Thermal unit by installing new 1x800 MW Ultra Supercritical Unit and is covered under category A 1(d) of the Schedule of the EIA Notification of dated 14th September, 2006.

Thereafter, Regional Officer, HSPCB requested the project proponent to present the presentation for the project for information of all the people present. Thereafter Mr. Dharamveer Rathore, AEE, HPGCL presented the detailed presentation on behalf of the project proponent.

He informed that an application was filed by M/s Deen Bandhu Chotu Ram Thermal Power Plant (DCRTPP) Yamuna Nagar, Haryana by M/s Haryana Power Generation Corporation Limited for obtaining Environmental Clearance under EIA notification no. 1533 (E) dated 14.9.2006 for Expansion of existing 2x300 MW coal based thermal unit by installing new 1x800 MW Ultra Supercritical Unit.

Mr. Neeraj Kaalia, XEN, HPGCL, on behalf of HPGCL, (the project proponent) brought out the details of the project before the public.

After the presentation, the Regional Officer, HSPCB asked the public to submit their objections/queries/clarifications regarding project or they want any other information the same will be provided or clarified by the project proponent at site. The Regional Officer, HSPCB also informed that they can also file the objections in writing in his office.

The following questions/ observations/suggestions/ queries were raised and after posing all the questions, the project proponent delivered a consolidated reply of all the questions/query at the end.

1. Sh.Amar Singh, Sarpanch, Village Mandi, gave following suggestion and asked question detailed as below:

- He said that Villagers regularly face problems due to fly ash and dust, which spoil their clothes.
- Fly ash is causing many diseases such as: TB, Asthama, eye-diseases.
- Even Class-IV jobs are considered satisfactory by the people residing in the vicinity of the TPS, whether through HKRNL or contractors.
- Electricity shall be provided at free of cost to the nearby villages.
- Regular eye check-up camps shall be organized frequently.
- Dogs have troubled the entire village.
- More or less demands/requirements shall be fulfilled at the end of the thermal or local administration.

2. Sh.Kapil Kumar S/o Sh. Satish Kumar, Village Rampur Majra, gave following suggestion and asked question detailed as below:-

- Villagers face pollution problems at regular intervals.
- The villagers are experiencing unemployment because, under the land acquisition policy for the DCRTPP, only one job per family was offered. Many

people failed to meet the required criteria due to a lack of understanding of the policy, resulting in their inability to secure employment opportunities.

- Surroundings areas/village/houses of TPS are badly affected by fly ash emission.
- Villages shall be shifted from the vicinity of Thermal Power Station (HPGCL) as already done by shifting Khukrana village in Panipat district as per the decision of Hon'ble High Court.

3. Sh.Gopal Singh, ex-Sarpanch, Village Ratanpura, gave following suggestion and asked question/suggestion detailed as below:-

- The generation of pollution from dust and fly ash has significantly disrupted the daily routines of the villagers.
- Villagers are not opposing the Administration but they are being persecuted by the menace caused by TPS such as pollution, dust and fly ash emission etc.
- A resolution is passed unanimously by the Gram Panchayat of the village to shift the village Ratanpura.
- The coal grinder, cooling tower and ash silos of the TPP regularly cause dust and fly ash emission.

Deputy Commissioner, Yamunanagar replied that he will visit the nearby villages shortly and will observe the area's problems as raised by the concerned villagers.

4. Sh.Satish Rana, Village Ratanpura, gave following suggestion and asked question detailed as below:-

- We met with the Chief Minister of Haryana, Sh. Anil Vij, Ex-Home Minister of Haryana and various officials of the HPGCL, including the Chief Engineer, SEs, and XENs multiple times regarding the sprinkling of water on coal. However, this practice has only been carried out for 2-3 days.
- Breathing issues are faced by almost every villager.
- Continuous electricity outages lasting four to five hours are being experienced.
- No handpumps are installed in the area.
- RCC drains are not provided by the TPP.
- There only demand is to shift the village Ratanpura.
- The height of the thermal colony is on higher side, resulting in storm water draining into their fields, which affects the crops and livestock.

Reply by Project Proponent:-The Chief Engineer replied that pucca drains have been provided in some areas, and hand pumps have also been installed, but only in specific areas.

5. Sh. Jitender Rana, ex-Sarpanch, Village Ratanpura, gave following suggestion and asked question/suggestion detailed as below:-

- Water droplets from the cooling tower of TPP fall during winters.
- It is very common to experience 4-5 deaths per month in our villages due to TB and asthma.
- Crops are affected by the fly ash and cannot be sold at reasonable rates.

Reply by Project Proponent:-After posing all the questions, the project proponent delivered a consolidated reply of all the questions/query at the end.

6. Sh. Jasbir Singh, Village Rampur Majra, gave following suggestion and asked question/suggestion detailed as below:-

1. Jobs are only provided to the land oustees, but not to those from poor families who were dependent on the land acquired by the TPS.
2. Crops are not viable for selling due to the ash falling on their fields.
3. Grass is not suitable for their cattle to graze on.
4. Infants and children are suffering from health problems caused by the fly ash.

Reply by Project Proponent:-After posing all the questions, the project proponent delivered a consolidated reply of all the questions/query at the end.

7. Aziz Khan, Sarpanch, Village Lapra, gave following suggestion and asked question/suggestion detailed as below:-

1. He pointed out that relocating the village is not feasible due to the large population, making it impossible to shift all villages.
2. Arrangements should be made for cleaning of drains.
3. While expressing gratitude for the school construction, he underscored the critical need for a dispensary, which is essential for the villagers.

Reply by Project Proponent:- After posing all the questions, the project proponent delivered a consolidated reply of all the questions/query at the end.

8. Mohd. Rafi, Village Lapra asked question detailed as below:-

- He demanded free electricity and ash lifting for villagers.

Reply by Project Proponent:- After posing all the questions, the project proponent delivered a consolidated reply of all the questions/query at the end.

9. Mehboob, Village Lapra, gave following suggestion and asked question detailed as below:-

- Since the installation of TPS, there has been a significant issue with fly ash.
- Local tractor-trolley workers should be offered free ash lifting services.
- Electricity should be provided free of charge to nearby villages.

Deputy Commissioner, Yamunanagar replied he is aware of all the common problems faced by the villagers. He is trying his best to resolve the issues at his own level, He suggested that some of the problems can be addressed through CSR activities. Issues relating to jobs and village shifting are noted and the same will be sent to the Government for necessary action.

10. Sh.Lal Singh, Sarpanch, Village Kait, gave following suggestion and asked question/suggestion detailed as below:-

- Movement of HTVs is creating problems because ash falls onto the road from uncovered ash lifting trucks/bulkers.
- Street lights should be provided from village Lapra to the canal bridge, as many children have died accidentally due to poor visibility at night.
- With the upcoming 800 MW unit, more job opportunities may be created which should be provided to villagers through contractors or HKRNL.
- Scheduled Caste villagers from the nearby 8-10 villages be provided jobs through HKRNL.
- Pond ash should be provided free of cost to villagers for Earth- filling.

Deputy Commissioner, Yamunanagar replied that he heard the same problems 2-3 days ago while he had a meeting with SDM and DDPO and other officers. Some measures were suggested by them but employment will be finished in this area if those measures are taken and he don't want that the administration is held responsible for the same and also asked to come up with some other collective measures that should be in favour of all the categories.

11. Sh. Sumit Kamboj, Panch, Village Rampur Majra, gave following suggestion and asked question detailed as below:-

- Nearby villages may be provided with 24-hour free electricity, similar to what is provided in the Thermal colony.
- The salaries of workers deployed through contractors are delayed by 2-3 months.

- Workers deployed through contractors may be transferred to HKRNL.

Reply by Project Proponent:-After posing all the questions, the project proponent delivered a consolidated reply of all the questions/query at the end.

12. Sh. Shishpal Saini, Village Isharpur, gave following suggestion:-

- Salary of workers deployed through contractors may be increased.
- Consequent upon the upcoming 800 MW unit, the employment may be given preferably to the nearby villagers through HKRNL.

Reply by Project Proponent:-After posing all the questions, the project proponent delivered a consolidated reply of all the questions/query at the end.

13. Sh. Aryan, Contractor in DCRTPP gave following suggestion and asked question detailed as below:-

- Thankful to the Govt. and HPGCL for providing opportunity for works.

Consolidated reply of the questions/ query: Mr. Rajeev Gupta, Chief Engineer/DCRTPP, HPGCL (Project Proponent) gave conclusive reply to all the above grievances/demands raised by the villagers. He said all the issues/grievances at the level of Chief Engineer will be resolved for which he is competent.

- Free and full-time electricity issues cannot be fulfilled.
- He said that drains have been constructed by DCRTPP, but not in the entire area, only in some parts.
- Street lights have been provided in near villages of Rattanpura, Isharpur.
- Various activities have been carried out under CSR in nearby villages: Road for shamshan ghat in village Isharpur has been constructed, concrete benches have been provided in villages. The photographs of these works were also displayed.
- All dust control measures are being taken in Coal handling area for preventing any dust emission. Sprinkling systems are operated continuously for settling of the coal dust.
- HPGCL shall consider providing pucca drains in other major affected areas.
- HPGCL shall consider installation of Fog guns/screens or any other effective alternative to control the spread of fly ash and coal dust in due course of time.
- The project proponent will arrange CSR activities, such as medical camps for checkups, if the Sarpanch of any village proposes it. However, providing

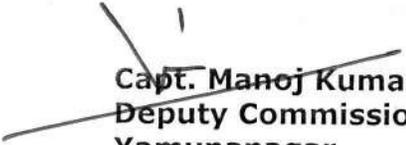

permanent medical facilities in the villages is the responsibility of the local administration.

- He explained that the upcoming project shall ensure the overall development of the area and nearby villages just like the existing project.
- New measures are being evaluated to tackle crop damage and other issues, but implementation will be delayed due to their costs.
- Jobs will be allocated strictly in accordance with government policy.
- If there are future demands, villagers are encouraged to meet with authorities, and efforts will be made to resolve the issues promptly.
- Electricity cannot be supplied as it falls under the jurisdiction of UHBVNL. The plant cannot sell or provide free electricity as per policies and regulations. Please request UHBVNL officials to address this matter.

After the end of Question and Answer session of public hearing, Sh. Virender Singh Punia, HSPCB, RO, Yamunanagar once again asked to the general public to raise questions, if any, and Public Hearing was ended with the Permission of Chairperson Capt. Manoj Kumar, IAS Deputy Commissioner, Yamunanagar.

Sh. Virender Singh Punia
Regional Officer
HSPCB, Yamunanagar

Capt. Manoj Kumar, IAS
Deputy Commissioner
Yamunanagar
