PUBLIC HEARING FOR ENVIRONMENT CLEARANCE

(As per EIA Notification dated 14th September 2006)

Project Name- “Proposed Sand Mining project at Village Nabiabad and JabtiChhapra, Tehsil & District: Karnal, State : Haryana (Mining lease area: 61.89 ha), with Production capacity 1881000TPA by M/s Darsh Minerals Private Limited through Gurpreet Singh Sabharwal”)

Date of Public Hearing – 18TH MAY 2023, 10:00 AM

MEETING TYPE - Offline

Place of Public Hearing - PROJECT SITE AT VILLAGE NABIABAD , DISTRICT KARNAL, HARYANA

Public Hearing was conducted by Haryana State Pollution Control Board on 18.05.2023 for “Proposed Sand Mining project at Village Nabiabad and JabtiChhapra, Tehsil & District: Karnal, State : Haryana (Mining lease area: 61.89 ha), with Production capacity 1881000TPA by M/s Darsh Minerals Private Limited through Gurpreet Singh Sabharwal”)

Minutes of Public Hearing held on 18.5.2023, at project site at Village Nabiabad , District Karnal, Haryana.

The Public Consultation (Hearing) was held as a mandatory requirement under EIA Notification dated 14.09.2006 and amended till date. Notice for public hearing was issued by the Member Secretary, Haryana Pollution Control Board Dated 18th April 2023, wherein date of Public hearing was fixed as 18th May, 2023. Wide publicity was given to the public through newspapers (English Tribune and Hindi Jagran) and letters to the District Officers & Village Panchayats (Copy of News cutting and notices are attached as Annexure- A).

Accordingly public hearing was conducted on 18th May 2023 for Environment Clearance for - “Proposed Sand Mining project at Village Nabiabad and JabtiChhapra, Tehsil & District: Karnal, State : Haryana (Mining lease area:

61.89 ha), with Production capacity 1881000TPA by M/s Darsh Minerals Private Limited through Gurpreet Singh Sabharwal”)

Minutes of Public Hearing held on 18.5.2023, at project site at Village Nabiabad , District Karnal, Haryana”.. The public hearing was attended by the following officers (List attached as Annexure-B):-

1. Sh. Aman Kumar, SDM/City Magistrate , Karnal
2. Sh. Shailendra Arora, Regional Officer, HSPCB, Karnal, 2nd Floor, SCO-78-79.
3. Sh. Navtej Singh XEN, Irrigation Department, Karnal.
4. Sh. Ramesh Kumar, SDO, Irrigation Department, Karnal.
5. Sh. Rajat Kumar, J.E. Irrigation Department, Karnal.
6. Sh. Ram Kumar, Forest Department, Karnal.
7. Smt. Arvind Dahiya, Mining and Geology Department, Karnal.
8. Sh. Sunil Kumar, Head Master (Education Department).

The list of Public attended hearing is attached as **Annexure-C**.

The following representatives of M/s DarshMinerals Private Limited were present:

1. Sh. Gurpreet Singh Sabharwal
2. Sh. Pardeep Goyal
3. Sh. Mohit Goyal
4. Sh. Ranjeet Dass

The following representative of EIA Consultants of Eco Paryavaran Laboratories & Consultants Pvt. Ltd. (QCI-NABET Approved EIA Consultant)

1. Dr. RitambharaUpadhyay
2. Mr. AjayVerma
3. Mr. ShivamBhanu

Dr. Ritambhara Upadhyay (Environment Consultant), ECO Paryavaran Lab & Consultants Pvt. Ltd. Mohali described the details of Proposed Project, which are as under:

1. The proposed project involves mining of mineral i.e. sand from the bed of river Yamuna, at a part of Village;- Nabiabad and JabtiChhapra, Tehsil: Karnal, District: Karnal, State : Haryana from an auctioned area of 61.89 Ha.
2. The total cost of the project is Rs. 3.25 Crores. Industry will also provide the employment to about 46 persons from the nearby area based on their eligibility.
3. The applicant, has applied for Environmental Clearance on 17.02.2023 at MoEFCC, GoI and the SEIAA, Haryana had considered the application and granted Terms of Reference (TOR), vide File No. SEIAA/HR/2023/315 dated 23.02.2023 and also asked to conduct the public hearing on this project. Accordingly, the public hearing is being carried out today at this place.
4. It was presented that the mine location does not fall under any sensitive zone.
5. The mining proposed by opencast semi- mechanized method without drilling and blasting.
6. It will start from one end (higher level) to other end (lower level) phase wise/ bench wise going to the maximum depth of 3.0 mbgl or above ground water level whichever is less.
7. The minor mineral i.e. sand is proposed to be excavated by backhoe type excavator/JCB and directly loading in to trucks/dumpers & dispatch to market.
8. The loading of the mineral shall be mechanical while transport of mineral from river bed shall be done by private trucks/ dumper operators.
9. Total lease area is replenish able yearly.
10. Mineral extraction will be done for a period of about 270 days in a year.
11. About 6.0 KLD approx. water will be required for Drinking & Dust Suppression / Plantation & Source: Tankers (Necessary permission for Ground water extraction will be obtained from Haryana Water Resources Authority. Application for same has been submitted. (Application no HWRA/IND/N/2023/5799 dated 25th February 2023).
12. Out of 61.89 Ha lease area, 15 ha area will be covered under Greenbelt/Plantation. In consultation with village Panchayat, plantation will be done along the roads, in schools and public building and other social forestry programme.

13. Adequate measures will be adopted to minimize the impact of pollutants generated from mining activities.
14. Following control measures will be taken by project proponent:
 - Road will be maintained in good condition by using local earth material.
 - Regular leveling of transportation route.
 - Sand mining will create temporary activity in the dry river bed, which will be replenished during monsoon.
 - The mining will not be carried out below the river water level.
 - Loaded vehicles will be covered with tarpaulin.
 - PUC certified vehicles will be used.
 - Overloading will be avoided.
 - Plantation will be carried out along the approach road and vicinity area.
 - Periodic air quality monitoring will be done and adequate measures will be done.
 - Proper maintenance of vehicles will be done on regular basis.
 - Necessary Personnel protective equipment will be provided to the workers.
 - Adequate silencers will be provided in all the diesel engines of vehicles.
 - Minimum use of horns and speed limit of 10km/hr in the village area.
 - Plantation will be carried out along the approach road and vicinity area.
 - Monitoring of water will be carried out periodically. Water analysis will be carried out seasonally.
 - Regular monitoring of water levels and quality in the existing open wells and bore wells in the vicinity will be carried out.
 - River streams will not be diverted to form inactive channels.
 - Groundwater will not be intersected during mining activities.
 - Mobile toilets will be made available near mine's office away from the river.
 - Washing of vehicles in the river will be prohibited.

- Pollutant like dust, gaseous emanations will be minimized at the generation point itself and adequate measures will be taken to prevent their impact on environment.
- There is no forest in the core zone of mining lease area. So, there will be no deforestation due to mining.
- The mining lease area is devoid of vegetation. So, the greenery to be developed under green belt development programme in the village panchayat land and along the approach road will improve the floral environment of the area.
- No mining will be carried out during the monsoon season to minimize impact on aquatic life which is mainly breeding season.
- The lease area is not inhabited by any wild life, as there is no forest cover, hence there will not be any effect on migration or extinction of wildlife.

Sh. Gurpreet Singh Sabharwal anticipated that the management will put all efforts to implement the suggestions given in EIA Report. There will not be any pollution problem from this mining. He then sought public opinion on the project and express willingness to clarify their queries. Sh. Shailendra Arora, R.O. HSPCB, Karnal asked the public to submit their queries/ suggestions.

There were few representations by locals related to issues/ suggestions while public hearing,

Pointwise Questions and Reply presented to the Public are given below-

S.No.	Questions	Replies
1	Shri, Nirmal Singh of Village Kalsora asked about plantation in the area, transportation of material through covered trucks, construction of village roads (gallies) and mitigation measures for	<u>Reply by Project Proponent-</u> Plantation and construction of village roads will be done in consultation with Sarpanch and villagers under CSR activities. Transportation will be done by trucks covered by tarpaulin. PUC certified trucks will be used for transportation. Water will be sprinkled

	<p>control of pollutants. Our village Phirni should be made Pucca</p> <p>He also asked whether the CSR activities are given in written by project proponent.</p>	<p>on the haul roads to mitigate the generation of pollutants. 3000 plants will be provided Yearly. A room will be provided in School for children ..</p> <p>CSR activities are given in written by project proponent in EMP.</p>
2	<p>Shri, Nirmal Singh of Village Kalsora asked about coverage of stock and control of dust emission.</p> <p>Sh. Gurmail, Village Sahyad Chapra – The Govt. Also provided the facilities mentioned told by you</p>	<p><u>Reply by Project Proponent</u> - The stock will be covered and proper wind breaking wall of tin sheds will be provided.</p> <p><u>Reply by Project Proponent</u> – The Govt. Will earn revenue from mining and Govt. execute the development works from said revenue however it is our duty also to execute development works under CSR.</p> <p>Sh. Aman Kumar, SDM/City Magistrate , Karnal – You are all asked to submit your part and don't create nuisance/hooting etc. The video recording is being done.</p>
3	<p>Sh. Gurmail, Village Sahyad Chapra told that land erosion may occur due to mining activities</p>	<p><u>Reply by Project Proponent-</u> Our mining activities will not divert the flow of water and will not result in land erosion. In addition to that, retaining walls by Irrigation department will be constructed along the bank of river to avoid land erosion.</p>
4	<p>Sh. Shahid Lakhori of village Jabti Chhapra told that mining will result in loss of</p>	<p><u>Reply by Project Proponent</u> –Mining department will ensure that mining will be done in a legalized way and it will be done only in the auctioned area.</p>

	<p>agricultural land area and high speed of trucks may result in accidents.</p> <p>In Gumthala village Yamunanagar, every week a accident occurs.</p>	<p>Speed of trucks will be restricted upto 10km/hr.</p> <p><u>Reply by Smt. Arvind Dahiya, Mining and Geology Department, Karnal –</u></p> <p>Proper Killa No. /Khasra No. will be allotted, the boundary pillars will be provided, If found violating action will be taken.</p> <p><u>Reply by Project Proponent -</u> Speed of trucks will be restricted upto 10km/hr. The movement path will be outside the village. The people will get business and employment.</p>
5	<p>Sh. Ram Mehar of village Kalsora informed that one DSP was killed due to mining activity. We will not allow mining. What facility will be provided for villagers for self use of sand.</p>	<p><u>Reply by Project Proponent-</u> DSP was killed because he was trying to stop illegal mining. On the other hand, this mining is sanctioned by Haryana Government and will be monitored regularly by authorities. This will be legal mining. Speed of trucks will be restricted upto 10km/hr</p> <p>Land owners were compensated and with their consent only, the mining lease area was proposed for sand mining activities by Mining Department.</p> <p>Various departments will do vigilance survey on mining activities. We will provide the sand to the villagers of these villages.</p>
6	<p>Sh. Shailendra Arora, R.O. HSPCB Karnal asked about the provision</p>	<p><u>Reply by Project Proponent-</u> Mobile toilets along with septic tanks will be provided on the site for the staff/ labors.</p>

	for toilets for the workers and their safety.	Medical camps for regular health checkups and various other CSR activities will be done.
7	Mohamad Hussain of village Jabti Chhapra told that we will not get benefitted with the mining activities and the environment will degrade only, Mining activities will result in flood like situation.	<u>Reply by XEN Irrigation, Karnal -</u> Due to the proposed sand mining activities, de-siltation of the riverbed will take place so that the river water will not change its course and will not enter the agricultural fields or habitation anymore and construction of retaining walls will be taken care by irrigation department.
8	Mohamad Hussain and Adil Hussain village Jabti Chhapra told that villagers were affected due to flood in the region in 2019. How much depth will be excavated?	<u>Reply by XEN Irrigation, Karnal -</u> During that period, people were evacuated to the safer places and Mining officials informed that buffer zone will be left during mining activities and so river banks will not get eroded and natural flow of river will not be disturbed., Excavation will be done upto 03 Meter depth . In year 2019, maximum flood water was 8,26,000 cusec, no water cross the villages bandhs (Embankments). If any flood comes in river it will be within river area only. <u>Reply by Smt. Arvind Dahiya, Mining and Geology Department, Karnal -</u> The mining will be done from adequate distance from bandh. Proper Killa No. /Khasra No. will be allotted, the boundary pillars will be provided.
9	Sh. Rattan Singh, Sarpanch of Village Nabiabad asked How the	Sh. Shailendra Arora, R.O. Karnal informed that thorough audio and video recording, minutes of meeting will be

	issues of the villagers will be addressed	prepared which will be send to the SEIAA, they will finalize whether the proposal is acceptable or not. By legalization of mining, illegal mining work will be stopped and the revenue will be generated by Government.
10	Adil Hussain village Jabti Chhapra and Sabil, Sarpanch Village Sayad Chapprra – Our Agriculture land will damage, land erosion will take place, we don't want any mining.	<u>Reply by Project Proponent-</u> Buffer zone will be left during mining activities and so river banks will not get eroded and natural flow of river will not be disturbed., Excavation will be done upto 03 Meter depth. There will be no damage to Agriculture land and houses.
11	Sh. Kishan, Sarpanch of Village Khirajpur told that Yamuna River is expanding and after 3 months of mining, land will get eroded and will affect the sugarcane crop. In 1998 the flood damages the crops.	<u>Reply by Project Proponent-</u> Our mining activities will not divert the flow of water and will not result in land erosion as the mining will be done in the area allotted by government. River course is disturbed only by illegal mining activities. Sh. Aman Kumar, SDM/City Magistrate, Karnal informed that everyone's view will be conveyed to higher authorities and will be addressed properly.
12	Sh. Naresh Kumar, Sarpanch of Village Kamalpur Gadarion told that agriculture production, Cattle's feed will be affected.	<u>Reply by Project Proponent-</u> Illegal mining is solely responsible for destroying agriculture production and cattle feed. Our mining activity will be done systematically under government monitoring and will not affect agricultural area in any way.
13	Sh. Sabir Sarpanch told that Jan Aandolan will be	Sh. Aman Kumar, SDM/City Magistrate, Karnal informed that

	held if this mining site gets started	thorough audio and video recording, minutes of meeting being prepared and will be send to the SEIAA, and after considering all suggestions/problems of villagers, the Authority will finalize whether the proposal is acceptable or not.
14	Sh. Dilbagh Choudhary Numberdar, Village Halwana Roran told that mining should be restricted, Village roads are not good, we have all basic facilities of medical, school and plantation etc., and mining should be done somewhere else. Our main business is agriculture and animal husbandry, we will suffer.	<u>Reply by Project Proponent-</u> We will further enhance the development activities in the villages and mining can be done only in the auctioned area as allotted by Government officials. Roads will be maintained and repaired regularly and water sprinklers will be used to mitigate air pollutants. Plantation and construction of village roads will be done in consultation with Sarpanch and villagers under CSR activities. Transportation will be done by trucks covered by tarpaulin. PUC certified trucks will be used for transportation. Water will be sprinkled on the haul roads to mitigate the generation of pollutants. 3000 plants will be provided Yearly. A room will be provided in School for children ..
15	Sh. Shailendra Arora, R.O. HSPCB, Karnal asked about the CSR activities proposed in the Villages	<u>Reply by Project Proponent-</u> Various activities like road repairing, plantation, improvement in school, hospital, panchayat ghar's infrastructure, constructing toilets, distribution of books etc. will be done in consultation with Sarpanch and villagers under CSR activities.
16	Sh. Dilbagh Choudhary Numberdar, Village	<u>Reply by Smt. Arvind Dahiya, Mining and Geology Department, Karnal -</u>

	<p>Halwana Roran asked about the effect on the adjoining land from the mining site. In Gumthala village Yamuna nagar, every week a accident occurs</p>	<p>Safety/buffer zone will be left around mining site so that adjoining lands will not be affected.</p> <p>Mining activities will not divert the flow of water and will not result in land erosion as the mining will be done in the area allotted by government.</p>
17	<p>Sh. Jevan Singh of Jabti Chhapra and Pardeep Kalsoura told that land of about 10 acres covered under Yamuna water due to diversion of river. Yamuna flow from west to east. In Gumthala village Yamuna nagar during raining season problem occurs, roads damaged, we are not satisfied.</p>	<p><u>Reply by Project Proponent-</u> Our mining activities will not divert the flow of water and mining will be done in the allotted area only and will not result in land erosion as the mining will be done in the river area allotted by Government.</p>
18	<p>Rahul Goyal Village Kalsoura told that after rainy season, it becomes difficult to commute and pollution will increase from mining activities. He told to provide road in village. village roads are not in good condition so difficult to commute even to avail medical facilities</p>	<p><u>Reply by Project Proponent: -</u> Roads will be repaired and proper mitigation measures will be adopted to control the emission of pollutants. proper maintenance will be carried out for smooth traffic flow</p>
19	<p>Sh. Pardeep Kumar of Village Kalsora told that CSR activities as informed by other Project proponents in village</p>	<p><u>Reply by Project Proponent: -</u> CSR activities are the part of Environmental Clearance conditions, in the drafted EIA report we have mentioned the various activities along with budget and any</p>

	Gumthala, Yamuna Nagar were not complied.	detail regarding mining is available in the mining office. We will comply the CSR activities and undertaking given in recording also.
--	---	---

As there were no further questions, Sh. Shailendra Arora, R.O. HSPCB, Karnal Region closed the proceedings of Public Hearing with the permission of **Sh. Aman Kumar, SDM/City Magistrate, Karnal .**

Sh. Shailendra Arora, R.O. HSPCB, Karnal Region thanked the public for attending the public hearing.

The Public Hearing was concluded with the vote of thanks to the chair.
