|----|--|---|--|
|    |  | <p>You said Rs 80,000 per acre as per circle rate would be given as compensation every year but Rs 1.5 lakhs per year is earned just from farming of sugarcane and potato crops.</p>  | <p>The land owners will be provided compensation as per mutual understanding with the contractor. Rs 80,000 per acre per annum finalized as per circle rate, final amount depends on your mutual agreement with the contractor.</p> <p>Sh. Parth Gupta, IAS, Deputy Commissioner, Ambala also clarified that the rent and Compensation for the land owner has be decided mutually in case it is not acceptable to the land owners they can approach DC office for fair rent and compensation from the contractor.</p>  |
| 4. | Sh.Ajay Singh, Regional Officer, HSPC B, Ambala. | <ul style="list-style-type: none"> <li>• What is the Corporate Social Responsibility (CSR) budget of the contractor and what activities are proposed to be done under CSR?</li> <li>• As question was raised by Sh Virender Singh Sarpanch also regarding vehicle movement in villages how will you ensure that villagers are not affected by the movement of vehicles.</li> <li>• What steps will be taken to minimize dust dispersion due to movement of heavy vehicles.</li> </ul> | <p>Environmental Consultant replied that PP has kept a budget of Rs 28 lakhs as CSR Budget out of which</p> <ul style="list-style-type: none"> <li>• Rs 14 lakhs will be used for infrastructure development in the nearby government school (Library and reading rooms, upgradation of classes &amp; labs ,sports facilities ,water and support for digitalization)</li> <li>• Rs 10 lakhs will be used for medical camps in the villages.</li> <li>• Rs 4 lakhs will be used for distribution of solar lamps to villagers.</li> </ul> <p>Further, he informed that as per the Rules the PP has to ensure that minimum utilization of village roads for transportation of minerals, the PP will take land on rent to create a haul road which will not pass through any village roads.</p> <p>He also informed that after weighing of the trucks/tippers water sprinkling would be done on the sand and they will be covered by tarpaulin.</p> <p>Regular Water sparkling would be done on the haul road to arrest dust dispersion apart from this plantation would be done on both sides of the haul road to arrest dust dispersion.</p> |

| 5. | Sh. Parth Gupta, IAS, Deputy Commissioner, Ambala                       | When will be mining operation conducted during day time only or at night also?   | Environmental Consultant replied that Mining and transportation will only be done during time only i.e. 7 am to 7 pm.   |
| 6. | Sh. Virender Singh Sarpanch, Village-Jatwar.                            | <p>One important point on behalf of villagers is that will the villagers get sand on discounted prices for their personal use and not for selling?</p> <p>And also shall they provide sand free of cost for panchayati works like in mandir gurudwara etc.</p>   | <p>Environmental Consultant replied that for panchayati works like in school, mandir, gurudwara etc sand will be provided free of cost by the PP.</p> <p>For villager's personal use they will provide sand only at the cost of payment of royalty which is payable to Government by PP.</p> <p>However, on recommendation of sarpanch sand will also be provided free of cost to BPL families for construction of their own homes in village only not for selling.</p> |
| 7. | Sh. Parth Gupta, IAS, Deputy Commissioner, Ambala                       | <p>He urged the gathering that everyone should check there land in case falling under this mining project.</p> <p>He also provided the list with details of the khasra no and Kila No. falling under this mining project on the spot to the Naib Tehsildar, Revenue Department present in the public hearing.</p>  |   |
| 8. | Sh. Surinder Singh, Village Jatwar, Head Gurudwara Prabhandak Committee | <p>He urged that suppose if land owner wants to use sand for his personal use like construction of home etc it should be free from payment of Royalty also, in case he is using it only for personal use not for commercial purpose.</p> <p>He also wanted to know if at what rate sand will be provided to gurudwara sahib if such need arises in future?</p> | <p>Environmental Consultant replied that land owners whose land is being utilised for mining will be provided sand free of cost and as already committed by PP sand for panchayati works in school, mandir, gurudwara etc sand will provided free of cost.</p> <p>Sh. Ajay Singh, Regional Officer, HSPCB, Ambala also assured that contractor /PP has already agreed to provide sand free of cost for panchayati works.</p>  |
| 9. | Sh. Nitin Kumar, Forest gaurd, Forest Department                        | In Village Jatwar we have been transferred land from PWD department in 2022 khasra no. 6//8,13,17,18,23.   | Sh. Gurjeet Singh, Mining officer, Ambala clarified that ground truthing report was taken from all departments including forest department before the auction of the lease and forest department was having no objections at that time  |

|    |   |  |  |
|----|---|--|--|
|    |   | <p>We have already written to Mining department to remove these numbers from LOI issued to the PP but no reply has been received so far.</p>   | <p>and only after that auction was done.</p> <p>Sh Fakir Chand authorised representative of the PP informed that Forest Department was having no objection before the auction and the then DFO has given his consent at that time.</p> <p>But now when we applied for NOC from Forest Department they have given us a objection letter for which Mines &amp; Geology Department is in process of replying.</p> <p>It is also pertinent to note that only min part of these khasra numbers have been allotted for mining.</p>   |
| 10 | Sh. Ajay Singh, Regional Officer, HSPC B, Ambala. | <p>He asked that since you have conducted environmental impact assessment (EIA) study in the area, under which air ,water and noise baseline must have been covered, have you found the parameters of air as per national ambient air quality standards (NAAQS) and water parameters as per standard or not?</p> <p>Underground water samples were also taken or not?</p> <p>In your report you have mentioned that not old machinery will be used for mining or for transportation, what do you mean by this?</p> | <p>Environmental Consultant replied that environment baseline monitoring for the lease area was done from March 2024 to May 2024. Air Quality has been found under permissible limits as per national ambient air quality standards (NAAQS) and 3 surface water and 5 Ground water samples were taken and all have been found under acceptable limits as per Ministry Guidelines.</p> <p>He further clarified that no trucks, tippers/machinery will be used without a valid fitness certificate and PUC from authority in mining operation and transportation by PP/Contractor.</p> |
| 11 | Sh Ankit Saini, Village Ghazipur                  | <p>I am resident of village Ghazipur but our land is in village samru ,sir we cant go to our farm land due to unauthorised construction on the approach road ,for this we have appealed to authorities many times but no steps have been</p>   | <p>Sh. Ajay Singh, Regional Officer, HSPCB, Ambala replied that this does not concern with the mining project for which public hearing is being conducted. It will be dealt separately, Moreover, DC sir has instructed DDPO to take up the matter, you can provide the related documents to him for quick action right now.</p>   |
