1. The Chairman, State Environment Impact Assessment Authority, Bay no. 55-58, 1st Floor, Paryatan Bhawan, Sector - 2, Panchkula.
2. SEE (IT Cell) is requested to upload the proceeding on website of the Board.
3. Regional officer, HSPCB, Kurukshetra.

**Proceedings of Public hearing regarding the proposed Development of 4/6 Lane Greenfield Highway Starts From Jalbehra (Km 0.000) near Ismailabad to Patti Kankra (Km 22.850) near Shahbad in the state of Haryana under Bharatmala Pariyojana (lot-6/Package-6). Total length 22.850 Km ('Cat-A') held on 08.04.2022 at 11.00 AM at Village. Jhansa, District. Kurukshetra.**

**VENUE:** Community Hall at Village Jhansa, District Kurukshetra, Haryana

**Date & Time:** 08.04.2022 at 11.00 AM.

The Public Hearing under the provisions of EIA Notification-2006 and its amendments was conducted by Haryan State Pollution Control Board, Regional Officer- Kurukshetra for proposed project "Development of 4/6 Lane Greenfield Highway Starts From Jalbehra (Km 0.000) near Ismailabad to Patti Kankra (Km 22.850) near Shahbad in the State of Haryana under Bharatmala Pariyojana (lot-6/Package-6), Total length 22.850 Km" to be implemented by the National Highways Authority of India (NHAI).

The above mentioned proposed project pertains to development of 4/6 Lane Greenfield Highway starting from Jalbehra (Km 0.000) near Ismailabad to Patti Kankra (Km 22.850) near Shahbad in the State of Haryana under Bharatmala Pariyojana (Lot-6/Package-6) having total length 22.850 Km. The project activity attracts provisions of EIA Notification-2006 and its subsequent amendments dated 22.08.2013. Project has been categorized as Category 'A' as per schedule of EIA Notification-2006. Hence, project requires Environmental Clearance from Central Government, Ministry of Environment & Forest, Govt. of India, New Delhi.

The Copy of the draft EIA/ EMP report regarding the project ('Cat-A') in Hindi & English were made available in the offices of Deputy Commissioner Kurukshetra, SDM Kurukshetra, Joint Director District Industries Centre Kurukshetra, DDPO Kurukshetra, DTP Kurukshetra, DFO Kurukshetra, DPRO Kurukshetra for reading of general public at large and for inviting the suggestions, comments and objections, if any. Copies of Executive Summary of draft EIA/ EMP report were also

distributed among the persons and officers present during Public Hearing and detailed PPT presentation was also given to attendees by the NHAI's consultant briefing on the proposed project and potential impacts on Environment, human health and its proposed mitigation measures.

The following officers were present during the public hearing:-

- Sh. Mukul Kumar, IAS, Deputy Commissioner, Kurukshetra.
- Smt. Poonam Langayan Sandilya , Regional Officer, HSPCB, Kurukshetra.
- Sh. Rajbir Singh Dhiman, District Revenue Officer cum CALA, Kurukshetra
- Sh. Sonu Ram, SDM Pehowa
- Sh. Rajesh Gupta, Manager Tech., NHAI PIU Bhiwani
- Sh. Pauraush, Naib Tehsildar, Ismilabad.
- Sh. Amit, AEE, HSPCB, Kurukshetra
- Sh. Chandan Kumar, SE, NHAI
- Sh. Kanishk Dangi, SE, NHAI
- Sh. Abhijeet, SE, NHAI
- Sh. Subodh Kumar, CAC, Patwari
- Sh. Ashwani Bhanwra, Patwari
- Sh. Gulzar Singh, Patwari

The following representatives of Consultants were also present during the Public Hearing:-

- Sh. Rajesh Kumar Vishwas, Environment Consultant, P & M Solution, Noida (UP).

- Dr. Radhey Gangwar, DPR Consultant, SA Infrastructure Consultants Pvt. Ltd. Noida (UP).
- Sh. Amol, DPR Consultant, SA Infrastructure Consultants Pvt. Ltd. Noida (UP).

With the permission of the Deputy Commissioner (Chairperson), Regional Officer, HSPCB, Kurukshetra initiated the process of Public hearing and briefed about proposed project activity including detailed concept/ purpose of public hearing under the provisions of EIA Notification 14.09.2006. RO, HSPCB requested to all attendees/ public to ask questions related to the project one by one, if any and told to public that your comments / suggestions /objections / views /complaints / ideas will be recorded.

Your questions and reply given by NHAI / District Administrative along with proceeding of the public hearing will be sent to the concerned authority.

Details of comments/suggestions/objections/ views/ ideas raised during public hearing are enclosed as **Annexure-A**. Copy of CD and Photographs prepared during hearing are enclosed for reference as **Annexure-B**. The attendance of officers present from various departments and residents of nearby villages given as per **Annexure-C**.

The public hearing was ended with a vote of thanks to the chair and general public for attending the public hearing.

At the end few residents showed resentment and walked away without signing the attendance register though they were attending the public hearing as evident from the Videography and photographs.

Draft proceeding is submitted for approval, please.

<b>Sr No.</b>	<b>Name and Address of stakeholder</b>	<b>Questions raised</b>	<b>Reply</b>	<b>Name of replier</b>
• 1	Smt.Poonam Sandilya ,Reg HSPCB, Kuruk	<ul style="list-style-type: none"><li>• What measures will be taken to prevent the dust during the construction of the road?</li><li>• What mitigative measures will be taken for the polluted water to be generated from construction/ labour camp site?</li></ul>	<ul style="list-style-type: none"><li>• Frequent water sprinkling on RoW will be done to suppress the dust arising during construction of project.</li><li>• Labour camps of construction agency will be set up with the CTE/ CTO from State Pollution Control Board. Polluted water generated from labour camps will be drain out after necessary treatment. Contractor will be bound to follow all respective guidelines of SPCB/ CPCB.</li></ul>	Dr. Radhey Gangwar, DPR Consultant

2	<p>Sh.Saravjeet Village :- Kalsani.</p>	<ul style="list-style-type: none"> <li>• Will the old Thol Shahbad road be shortened or will a new road be built-up?</li> <li>• Pillars have been installed on the land of farmers six months ago, due to which our crops have been spoiled, how much will we get compensation for that?</li> <li>• The new road will also increase the noise and air pollution. It will have a great impact on all of us? Nearby crops will also get spoiled due to the construction of new road, what measures will be taken to stop it?</li> </ul>	<ul style="list-style-type: none"> <li>• This is a 4/6 lane Green Field Highway only.</li> <li>• Compensation of attached property to the acquired land will be given as per Govt. norms.</li> <li>• During the construction period, all mitigative measures will be taken by the contractor. Vehicles in the construction will be deployed with</li> </ul>	<p>Mr. Rajesh Gupta, Manager (Tech.), NHAI</p> <p>Mr. Amol, DPR Consultant</p> <p>Dr Radhey Gangwar, DPR Consultant</p>
---	---	---	---	---

3.	Sh.Sharad Lal :- Village Shahabad Markanda	The price of our land has been fixed very low.	The compensation of the land will be given as per norms. However, any concern related to land price can be raised with DRO/CALA. Further today we have gathered for Public hearing wrt issues related to Environment only.	Sh. Rajbir Singh Dhiman, DRO
4.	Sh.Jasbeer Singh :- Village- Mamu Majra.	Will the air or noise pollution increase due to the construction of a new road? The new road is passing through the village, which will cause a lot of trouble to the people, should the road be diverted?	Yes, the project site will have specific impacts on air and noise problem may happen during construction period only but, all these impacts would be mitigated by following guidelines/ conditions of Pollution Control Board like frequent sprinkling of water and proper maintenance of vehicles etc. Project road has been designed carefully as per IRC code to meet the traffic requirement in the region.	Dr. Radhey Gangwar, DPR Consultant

5.	Sh.Narainder :- Village- Nagla.	Sh.Deshraj is my friend, his house has come inside the road, Will he get any comensation for his land? Sh.Deshraj does not have any land.	The Project alignment has been designed to avoid public structures. However, any structure coming within right of way will be compensated as per norms. Construction camps will be set up away from the human settlements with the permission of SPCB. Preventive measures shall be taken to reduce the pollution level generating from the project implementation.	Dr Radhey Gangwar, DPR Consultant
----	------------------------------------	---	---	---

6.	Sh.Joga Singh :- Village Thaska Miranji.	If our land is coming inside the proposed road, then how much will we get compensation ,if we have possession of the land?	The compensation of the land will be given as per norms. However, any concern related to land price can be raised with competent authority/ DRO/ CALA. This public hearing is related to Environmental Clearance, you are welcomed to raise your concern/ suggestions/ views related to the environmental issues here please.	Sh. Rajbir Singh Dhiman, DRO
7.	Sh.Harjeet :- Village- Jhansa.	My house is coming inside the proposed road,what will be the compensation?	Question is not related to enviornement .All of you are requested to raise question related to enviornement issue please as this hearing is related to the enviornemntal concerns.	Dr. Radhey Gangwar, DPR Consultant

8.	Sh.Jasbir :- Village- Majra.  Mamu	How much under pass, over pass, culvert is being built in the proposed project and how much compensation will we get for our land? If someone's house is coming inside the road, then how will you get compensation?	<ul style="list-style-type: none"> <li>The Proposed project involves Major Bridge (01), Minor Bridge (01) Flyover (01), Interchange (01), ROB (01), Vehicular underpass (01), LVUP (07), SVUP (10), and Box Culverts (23).</li> <li>Regarding compensation, it is reiterated that the compensation of the land will be given as per norms.</li> </ul>	Mr. Chandan Kumar, NHAI
9.	Sh.Saravjeet :- Village -Kalsani.	If someone has less land, this road is going through the middle of his land, then how much will we get compensation?	It is repeated that the compensation of the land will be given as per norms.	Mr Rajesh Gupta, NHAI and Sh. Rajbir Singh Dhiman, DRO
